

CLEAR BLUE HAWAII

CATEGORY: Recreational / Touring

NAME: AKAKA

Length : 220 cm / 230 cm / 240cm

Blade Color : Black / Yellow

Blade width : 16 cm

Weight : 36 oz.

Shaft : 2 Piece Take Apart XTX Composite Shaft with drip rings.

Blade : Same shape and size as the Punaluu paddle. This blade has the additional feature of a dihedral designed blade that allows the water to wrap around the blade and for a smoother stroke. A great blade for long distance touring and all day trips.

- Asymmetrical Design
- Dihedral Design
- Narrow Blade Design
- Fiberglass XTX Composite Shaft
- Fiberglass Reinforced Polymer Blades
- Better Suited for Long Distance Paddling
- Two Piece Take Apart
- Requires Less Gripping Force
- Requires Less Effort Per Stroke
- Reduces Flutter
- Reduces Torque
- Generates Less Resistance
- Helps Direct Water Around The Paddle
- Greater Hydrodynamic Stability
- Well Balanced Stiffness to Flex Ratio
- Causes Less Fatigue
- Multiple Feathering Angles
- Dual Rubberized Drip Rings
- Excellent Overall Value
